NOTES: Key Dates & Deadlines

Registration Opens	Registration for all Summer courses opens on ACORN on April 1, 2022. Students can register for all Knox College courses (except for SPE or CPE Units) directly via their ACORN accounts.
Registration Deadline	This is the deadline by which the Knox College Academic Office determines whether the course will run or be cancelled due to insufficient course registration.
Tuition Payment Deadline	This is an ACORN system deadline. Students registered in Summer courses must pay their Required Minimum Payment, as noted on their ACORN Invoice, by this deadline in order to ensure that their Registration Status reads as "Registered" prior to the start of the course(s) in which they are registered.
Last Day to Add	**REGISTRATION**: This is the last possible date day a student can register for a particular course. Ideally, a student should register for the course by the posted Registration Deadline. If that is not possible, the student has until the Last Day to Add to contact the Knox Registrar to request permission to register for the course. **PAYMENT**: Proof of payment (ie: PDF of bank receipt, screenshot of online payment) must be provided to the Registrar prior to the first class of the course.
Last Day to Drop	The deadline by which a student may cancel a course registration via their ACORN account (1) without academic penalty and (2) secure a 100% refund. The Last Day to Drop for Summer courses is after either 8 course-hours or 3 classes, whichever comes first.
